

Burford Parish Council and Tenbury Town Council have come together to prepare a joint neighbourhood plan for our community. A neighbourhood plan is a forward vision for development over the next 20 years and will cover many areas including employment, travel, tourism, housing, business development, sports and leisure.

We would like to tell you more about the process so that you understand how you can get involved and give you an opportunity to express any concerns or ideas from an early stage.

We look forward to seeing you or the 17th March.
